Aloha to Friends of Tom Partyka,

I am sad to announce the passing of Tom Partyka from this life. Tom passed away on Monday, November 21, 2016 in the late afternoon. His three children were there with him. Tom was struck in a cross walk by an automobile while walking in Kahului on Saturday, November 5th. He sustained a head injury, had surgery on the 5th, was placed in the Intensive Care Unit at Maui Memorial Hospital and never regained consciousness until his passing on the 21st.

The family is very thankful for everyone who prayed for Tom and had faith for his recovery. God had another plan for Tom. He is a Christian and walked very sincerely every day. Everyone in Island Plant Company will miss him. He cared about people, he cared about his job, and he cared about those he served. Tom worked faithfully for Island Plant Company for 21 years. We salute Tom Partyka, a valued friend!

A Memorial Service for Tom will be held at Hale O Na Kaula Church, 262 Anuhea Place, in rural Kula, on Saturday, December 10, 2016 at 10:00 am. The church is in the near vicinity of Long's Drug in Kulamalu. Flowers can be sent to the church on Friday,

With much aloha,

Thom Foster
