

Owner's Using "Internet" Booking Websites

Maui Vista is a self-managed condominium association where owners may choose to rent their condos. The AOA does not rent condos. Owners are responsible for the information that is published about their condo/s.

The AOA Office Does Not:

- Accept bookings or arrival information from anyone other than the owner. *House Rules require owners or Agents contact the front office prior to guest arrival.*
- Hand out keys or codes to any unit.
- Extend guest stays.
- Have access to your Booking confirmation codes.
- Have access to guest arrivals unless the front desk is advised by calling 808-879-5373 or emailing aoaomv@gmail.com.
- Operate on weekends.
- Accept money or final payments from guests.
- Require a photo ID upon arrival.
- Endorse Nude Beaches.
- Provide a SAFE for visitor valuables.

Specific Inaccurate Information:

- Owners may choose to not rent to children, but Maui Vista "is" a child-friendly resort.
- Internet access is *only* available if an owner provides it.
- Laundry facilities are only available in the condo.....there is no general laundry facility.
- Maui Vista is a "no pets/animals" property but we support ADA regulations with certification paperwork.

These Amenities DO NOT exist at Maui Vista and should not be advertised on any website:

- Car rentals
- Tour desk / Baggage storage
- ATM
- Shop on site
- Babysitters

Owners are solely responsible for the information appearing on
booking.com; vrbo.com; priceline.com
OR
any other internet booking website. Please monitor the information
you have on each relevant site to ensure its accuracy.

Thank you in advance for your prompt attention to this matter.
