

HURRICANE PREPAREDNESS

HURRICANES

Hurricanes are strong storms that can be life-threatening as well as cause serious property-threatening hazards such as flooding, storm surge, high winds and tornadoes.

Preparation is the best protection against the dangers of a hurricane. Know the difference between the threat levels and plan accordingly.

Hurricane Watch

Hurricane conditions are a threat within 48 hours. Review your hurricane plans. Get ready to act if a warning is issued, and stay informed.

Hurricane Warning

Hurricane conditions are expected within 36 hours. Complete your storm preparations and leave the area if directed to do so by authorities.

RESPONSE

Upon notification of an impending Hurricane

Maui Vista staff will post routine notices and updates on the storm as available.

The EOC (Emergency Operations Center) in Building 3 will be opened and manned by Maui Vista staff and Security throughout the ordeal. No evacuations will be called as FEMA advises buildings less than 10 stories high should endure hurricane-strength winds. In addition to routine notices Security will hand out planning information to each owner/guest occupant on property.
